WEEK 0

CAMPAIGN SETUP & PRE-LAUNCH MARKETING

We only have one chance to make a first impression with the consumer. Many agents and brokerages stumble upon this step and cost their sellers real money when buyers don't value the home enough to make solid offers.

So, how can we avoid this misstep?

Much of the property marketing campaign rests upon the consumer's ability to find your property online ... and to find it with the right information.

These pre-launch activities, therefore, are designed to seed the marketplace, optimize for SEO, and position the property for the best possible impression right out of the gate.

- F.C. Tucker branded "Coming Soon" real estate sign placed on property.
- Marketing Narrative and Lifestyle Story for the property, location, and neighborhood is drafted with client input.
- Marketing Copy for the property is distilled from the Marketing Narrative and Lifestyle Story.
- Featured Property landing page on Tucker website.
- Professional-Grade Photography (with address and description in file name) uploaded to the Featured Property Landing Page.
- Property Tour & Seller Interview Video uploaded to YouTube and embedded on Featured Property Landing Page.
- Property posted to Anthony Team Realty Facebook page.
- Facebook Ad Campaign starts marketing property (will run for 30 days using three different images to split test for best response).
- Client shares link to Featured Property Landing Page on Facebook (and other preferred social channels).
- Client shares post from Anthony Team Realty Facebook page on personal profile.
- Showing System set up by attaching MLS/BLC record to lockbox.

WEEK 1

CAMPAIGN LAUNCH

Launch activities build on the Pre-Launch phase by “announcing” the property’s availability through a combination of online and offline channels. - Property Tour Video uploaded to MLS/BLC.
- Showcase listing on Realtor.com and over 400 other real estate websites.
- Property Tour Video uploaded to all strategic websites.
- Property posted on Anthony Team Realty’s Instagram, Facebook, and Twitter pages.

Our agent was on top of the whole process, she constantly had updates on amendments, timelines, etc ... before I even thought to ask for them.

WEEK 5

CAMPAIGN EVALUATION & RE-LAUNCH

If there is insufficient interest in the property (lack of traffic & showings, negative feedback on value from people who toured property), then a price reduction is likely appropriate. Your relocation company will, typically, direct the schedule for price changes. Research and feedback from the market will provide insight on pricing to sell the property within the desired timeframe. Again, though, the relocation company will likely advise you on what they want the price to be. Once a new price is determined, the marketing campaign will be updated and re-launched.

- If online traffic is not converting into offline tours, then price must be re-assessed for possible adjustment to attract more traffic.
- Anthony Team and Tucker announce price reduction to its national network of real estate agents.
- Price update and promotion on Featured Property Landing Page of Anthony Team and Tucker websites.
- Price update and promotion in MLS/BLC.
- Price update and promotion on Realtor.com and all other websites.
- Price updated and property photos re-posted on Instagram and Twitter.
- New Facebook Ad Campaign marketing price reduction to Likely to Move profiles and re-targeting company traffic using Website Custom Audiences.
- Client shares Featured Property Landing Page link on Facebook (and other preferred social channels).

Ongoing

- Featured Property on Anthony Team Realty and Tucker websites.
- Property promoted in MLS/BLC.
- Showcase listing on Realtor.com and all the other 400+ designated websites.

WEEK 6

CAMPAIGN ANALYSIS & IMPROVEMENTS

Consistent monitoring and analysis of data to determine the effectiveness of message and images in producing Click-Through Rates (CTR) is critical in presenting the property in the best possible light. Ongoing campaign improvements, and your support as the seller, are key to getting your home sold.

- ❑ Campaign results analysis with modifications to ongoing campaigns.
- ❑ Determine whether Open House is feasible and likely effective. If yes, then Open House scheduled for WEEK 7 or WEEK 8.
- ❑ Real Estate Flyer PDF update.
- ❑ Client shares Real Estate Flyer PDF with neighbors and friends.

Ongoing

- ❑ Featured Property on Anthony Team Realty and Tucker websites.

thank you! You made

home come true. You
are patient and take the
time to make sure
your clients are your
highest priority.
